

U.S. Jury Returns 12 True Bills, Pauline Van Dam Indicted Twice

Twelve indictments were returned by the Federal Grand Jury here yesterday, including two against Pauline Van Dam, after nearly two days of testimony. The true bills were signed by Rodney Kelly, foreman of the jury which is expected to investigate vice in this area, mainly the numbers racket.

The indictments returned against Mrs. Van Dam came as a result of an October 14 "joy ride" she and a friend, Marsha Anderson, took in a taxi cab and sub-

sequently in an alleged stolen car.

In one indictment, Mrs. Van Dam was charged on two counts of transporting in interstate commerce a blue steel revolver.

In other indictments against Mrs. Van Dam and Miss Anderson, the two were charged with interstate transportation of a stolen motor vehicle from Cincinnati to Newport.

ALSO 'INDICTED' were two former bank employees on embezzling charges. Helen June Mergard, 25, 594 Dorgene Ln., Mt. Carmel, employed as a bookkeeper from September 3, 1960, to January 5, 1961, at the Milford National Bank, Milford, was charged on two counts, one of embezzling \$1080 from the bank, and one of making false entries relating to the joint account of her and her husband, Kenneth.

John Sebald Ferris, 44, 5262 Morning Side, Oxford, former head cashier and director of the Oxford National Bank, Oxford, was charged on five counts, covering February, 1960, to March, 1961. The first four counts charge false entries and the last count embezzling and misapplying bank funds of \$6136.

A FORMER Terrace Park resident, Lloyd Francis Gardner, now a resident of Madison, Ind., was indicted on two counts, both dating to March 7. The first count charges him with carrying away with intent to steal from the Madeira Building & Loan Co., Madeira, two typewriters and a check protector.

The second count charges him with transporting the check protector in inter-

state commerce with fraudulent intent.

Verle Martin Howard, 41, 408 Boal St., a former Internal Revenue Service collection officer, was indicted on one count of receiving public money November 14, 1960, totaling \$462 which he was not authorized to retain as salary, and failing to render his accounts to IRS. The second count charged him with making a false document last February 1 in a matter within jurisdiction of IRS.

Henry Huston Whittington, New York, was indicted on one count of devising a scheme May 10, 1960, to defraud and obtain money from the Texo Corp., Dana and Floral Aves., manufacturers of cleaning compounds.

A SECOND count charged him with causing \$1000 to be transmitted by Texo to him in Binghamton, N. Y., May 6, 1960, by means of false representations.

Other indictments were returned against:

▶ Zack Riley Jr., 1319 Walnut St., for transporting his wife, a minor, from Jackson, Ky., to Cincinnati October 21, for the purpose of prostitution.

▶ Jean Dolores Bowling, 35, Cincinnati, one count each on last March 29 of transporting in interstate commerce from Cincinnati to San Francisco a \$20 forged check.

▶ Elzie Rhoden, Scioto County, for possession of over five gallons of moonshine last August 13.

▶ Merrill Crayton Farris, Lawrence County, two counts on last August 29, one of possessing a still and apparatus and one of making and fermenting 90 gallons of mash.

▶ George W. Pye, 26, 2818 Melrose Ave., a Post Office carrier, for converting to his own use \$44 which came into his hands under execution of his employment.

New Lead Studied In Co-Ed Murder

LEXINGTON, Ky., Nov. 1 (AP)—A new lead to the murder of Betty Gail Brown, Transylvania co-ed, came today as police tried to find a few solid facts among a barrage of guesses.

Police were to question a man who said he saw a person leaving the Morrison Hall driveway about 1 a. m. Friday. This was about the time Miss Brown, 19-year-old honor student and Sunday school teacher, was strangled in her parked car.

Meanwhile, the plan to fingerprint all students living at the college started slowly. Police had intended to begin with male students in one of the dorms, but the work was shifted to the police station several blocks away and only a few students came in before noon.

It developed that police can't force students to submit to fingerprinting, and thus presumably would not get a full file to check prints found in the dead girl's car.

Police Chief E. C. Hale took two actions in an effort to cut down duplication of effort and a flow of erroneous information.

He set up a meeting with Dr. Irvin Lunger, Transylvania College president, so college officials and detectives would work together in getting information.

And he ordered that all information on the murder would be cleared through his office, instead of through detectives and aides.

Rewards for information leading to conviction of the killer now total \$1917.

Sex Offender

Man Pleads Guilty

An East End man, declared to be a social menace and legally insane in 1956, was ordered sent back to Lima State Hospital yesterday by Common Pleas Judge Frank M. Gusweiler, after the man pleaded guilty of three charges involving sex offenses.

Willard Campbell, 39, formerly of 412 McDowell St., was to have been tried on charges of assault to rape, indecent exposure and sodomy, when he entered pleas of guilty. A pre-sentence mental examination is mandatory.

The charges against Campbell arose from molestation of girls, 10 and 11

years old, in Aims Park November 12, 1955. Lima psychiatrists said his mental status was such that he could not be tried at that time. In August a further examination showed him to be sufficiently recovered to know the nature of the charge against him and to stand trial.

Calvin W. Prem, assistant county prosecutor, said at the time of the 1955 offenses Campbell had been on parole only 15 days. In 1951 he was sentenced on an obscene literature charge, paroled in 1952, but sent back as a parole violator because of a molestation charge, and incarcerated until October 27, 1955.

Books Obscene?

Trial Date Is Continued

The trial of David King, news shop operator, on a charge of possessing obscene literature, a book titled "The Bohemian Set," taken in a March 15, 1960, raid at his store, is expected to start next week in the Common Pleas Court of Judge Frank M. Gusweiler.

The case was called for trial yesterday but was continued over the protest of William S. Mathews, assistant county prosecutor, who informed the court that the state was ready for trial.

Allen Brown and John A. Lloyd Jr., King's attorneys, asked for the continuance, saying that Mr. Lloyd would be out of town the rest of this week and that the expert witnesses for the defense were not available. Judge Gusweiler told the attorneys to agree on a trial date next week.

There is a new charge of possessing obscene literature now awaiting grand jury action as the result of a recent raid on his store.
